Journal reports

4. Advantages & disadvantages

Naanmudhalvan in zoho books was gave a better performance and better experience for all user. Because it was very simple and easy to record and maintain the business transaction.

User restriction although zoho books gives you four plants choose from, they do restrict the number of users you can have on your account.

5. Application

Zoho books in my application was surre to use all business sectors in the world. It is very easy to record the transactions. This application was suitable to all size of business. Because it is a advanced version compare to tally.

6. Conclusion

Zoho books in my conclusion was it is gave a better experience to me. And I know how record the transaction in record zoho books. I am consider zoho books projects was like skill development course that's it

7. Future scope

Zoho books was becomes a powerfull accounting software. So, the majority of business was using this software. So, I know how to handle the zoho books application. So, I have chance to join the this company.
